

Our Services

Shipping Agency

Africa Logistic Solutions (ALS) provides professional ship agency services at the Port of Dakar and other regional ports, ensuring smooth port calls and quick turnaround on behalf of shipowners, charterers, and operators.

Tanker Chartering

Africa Logistic Solutions (ALS) provides tailored tanker chartering solutions for the transport of crude oil, refined products, and bulk liquids across regional and international routes.

Customs Clearance

At Africa Logistic Solutions (ALS), we provide reliable customs clearance solutions to support your import and export operations across Senegal and the West African region.

“Connecting
Africa
To the
World”

We also provide other services like logistic bases in offering certified warehouses, professional cargo handling and lifting services, and comprehensive shiphandling solutions. From storage and heavy lifting to supplying provisions and spare parts, ALS ensures efficient and reliable support for maritime and offshore operations. Visit our website alslogistic.sn to know more about our other services.

Why Choose Us?

01

Professionalism

we are driven by professionalism, delivering reliable, safe, and efficient services with a skilled team committed to high standards and client satisfaction.

02

Rapidity

We prioritize rapidity, delivering swift responses and quick turnaround times to meet the urgent needs of clients across all logistics and maritime services.

03

Efficiency

ALS is built on efficiency, ensuring fast, streamlined operations with minimal delays through skilled coordination, modern tools, and a results-driven approach.

With a dedicated team and strong local expertise, ALS ensures reliable, efficient, and compliant operations for clients across the region.
